## Message from the President

Yes we can! Yes we can end domestic violence! Domestic violence is a community issue that deserves a coordinated response. As we approach Domestic Violence Awareness Month, let us all commit to taking a stance against domestic violence and move towards action by spreading awareness and encouraging prevention. Yes we can! Yes we will! Begin today... this issue of Lighting the Path has a plethora of activities that encourage your involvement in the domestic violence awareness movement beginning with the 3<sup>rd</sup> Annual Witney's Lights Walk/5K Run to End Domestic Violence on Saturday, October 1. Light the Path for those in your community; take a snapshot of the greatest need and join forces with others to act and to have a lasting positive impact on your community. **Lights, Camera and Action...** from darkness to light, domestic violence stops here!

Continuing the mission....
